17         // This is the theme of your application.
18         // Try running your application with "flutter run". You'll see the
19         // application has a blue toolbar. Then, without quitting the app, try
20         // changing the primarySwatch below to Colors.green and then invoke
21         // "hot reload" (press "r" in the console where you ran "flutter run",
22         // or simply save your changes to "hot reload" in a Flutter IDE).
```
